

Presentation Worksheet

Name _____

Presentation Group _____

Date _____

1. Evaluate your own participation in your group on a scale of 1 (I did not participate in the group) to 10 (I did all the work on behalf of the whole group) _____

2. Evaluate your participation, using above same scale, in each part of the presentation process.

Topic selection	Initial Research	Conceptual investigation	Organising & motivating group	Writing up notes	Powerpoint slides/other presentation material	Speaking

3. In your opinion, what was most challenging when designing and executing your group's presentation?

4. Please summarize the main argument(s) behind your presentation in **four lines or less**.

5. Name three references you used in preparing for your presentation.

6. What questions did you raise at the end of your presentation to stimulate discussion? Are you pleased with these questions, given the result of your presentation?

7. How will you develop your discussion paper, bearing in mind your presentation?
